MOHS Procedure

Let us begin by welcoming you and extending our gratitude for choosing Associates In Dermatology for your MOHS procedure. It is our goal to make sure your time here is as comfortable as possible

Listed below are a few helpful tips:

- ❖ If a preoperative medication has been called in to your pharmacy, please be sure to acquire the medication and take it one hour prior to arrival.
- ❖ Wear comfortable loose-fitting clothing. We ask that you wear something that is button down. You may want to bring a light jacket or sweater.
- ❖ Please bring a list of all medications (include the dosage, frequency, and reason for taking each medication).
- ❖ You may want to bring a small snack or small lunch. You may be here for a while. Decaf coffee and water are available for MOHS guests. If possible, you may go out to lunch.
- ❖ Bring entertainment: You may be here for multiple hours. Ipad, books, needlework are some examples. We do have free WiFi for our guest.
- ❖ We ask that you do not drive if your MOHS site is around your eyes or nose. Please arrange transportation to and from appointment.
- ❖ Please do not wear make-up, earrings or pantyhose/ tights.

Please let us know if there is anything we can do to make your time here more comfortable.

Thank You!
